Dover's Pump Solutions Group (PSG™) Appoints Greg Aschman Vice President-Chief Financial Officer

Chicago, IL — The Pump Solutions Group (PSG™), a member of the New York-based Dover Corporation's (NYSE: DOV) Fluid Management market segment and part of its Fluid Solutions platform, has announced that, effective May 24, Greg Aschman is PSG's new Vice President-Chief Financial Officer. In this position, Aschman will report to PSG President Dean Douglas.

"Greg brings a strong global financial and M&A background that will be a great complement to our Executive Management team, and make him well-prepared to take on this new challenge and opportunity with PSG," said Douglas. "His skills and experience will certainly help with our ambitions to greatly extend PSG's global footprint and go-to-market strategies worldwide."

Aschman comes to PSG after most recently working for Alcoa as Controller for its Global Primary Products Business, and Director of World Wide Investor Relations and Finance Director for the Building and Construction Systems business at the company's Geneva, Switzerland, headquarters.

Aschman, who will be based at PSG's new corporate headquarters in Downers Grove, IL, is a CPA with a Bachelor's degree in Accounting from Villanova University and an MBA from St. Joseph's University, both in Philadelphia, PA..
